For these reasons, it is fitting that he receive this prestigious honor. I thank his loving wife, Millie, for sharing Ed with the community.

#### CHANGING THE HOUSE RULE GOVERNING USE OF THE CONGRESSIONAL FRANK DURING THE PERIOD PRECEDING ELECTIONS

### HON. JOHN B. LARSON

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2004*

Mr. LARSON. Mr. Speaker, I introduced H. Res. 848 in order to conform the pertinent House Rule with the underlying statutory provision governing use of the congressional frank during the period preceding elections.

When the pertinent predecessor provisions of House Rule XXIV, clause 8, were originally adopted, the pre-election cut off was statutorily set at 60 days. However when the pre-election cut off was changed in 1966 to 90 days in the underlying statute, the House did not amend its rules to conform with that change. Thus the House Rule today is out of date.

39 U.S.C. 3210(a)(6)(A) currently reads, in pertinent part:

(6)(A) It is the intent of Congress that a Member of, or Member-elect to, Congress may not mail any mass mailing as franked mail—

(i) if the mass mailing is postmarked fewer than 60 days (or, in the case of a Member of the House, fewer than 90 days) immediately before the date of any primary election or general election (whether regular, special, or runoff) in which the Member is a candidate for reelection; or

(ii) in the case of a Member of, or Member-elect to, the House who is a candidate for any other public office, if the mass mailing—

(I) is prepared for delivery within any portion of the jurisdiction of or the area covered by the public office which is outside the area constituting the congressional district from which the Member or Member-elect was elected; or

(II) is postmarked fewer than 90 days immediately before the date of any primary election or general election (whether regular, special, or runoff) in which the Member or Member-elect is a candidate for any other public office.

H. Res. 848 provides a conforming amendment to make Rule XXIV, clause 8, consistent with the underlying statute. What follows is the pertinent language of the statutory change:

Amendment to the 60 day rule—1996—Subsection (a)(6)(A)(i). Pub. L. 104-197, Sec. 102(a)(1), inserted “(or, in the case of a Member of the House, fewer than 90 days)” after

“60 days”. Subsection (a)(6)(A)(ii)(II). Pub. L. 104-197, Sec. 102(a)(2), substituted “90 days” for “60 days”.

The text of H. Res. 848 follows:

H. RES. 848

*Resolved*, That clause 8 of rule XXIV of the Rules of the House of Representatives is amended by striking “60” and inserting “90”.

#### REDUCING CERTAIN SPECIAL ALLOWANCE PAYMENTS AND PROVIDING ADDITIONAL TEACHER LOAN FORGIVENESS ON FEDERAL STUDENT LOANS

### HON. JOHN A. BOEHNER

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2004*

Mr. BOEHNER. Mr. Speaker, the Taxpayer-Teacher Protection Act is the right thing to do at the right time. As I said, this closes the loophole for lenders billing the 9.5 percent floor on special allowance by prohibiting this billing on loans from bonds that have been refunded, refinanced, extended, matured, retired, or defeased, on or after October 1, 2004 and before January 1, 2006. Also prohibited is the billing of 9.5 percent floor special allowance by the holder for all loans sold or otherwise pledged, refinanced or transferred to another holder as defined in the Higher Education Act (HEA) on or after October 1, 2004 and before January 1, 2006. While it does allow for limited billing on recycled loans, that billing is permitted only on loans financed by pre-1993 tax-exempt bonds, or within such tax-exempt refunded bonds done prior to October 1, 2004, and only for the duration of these bonds. These prospective changes take a major step in closing the window to these subsidies for loan providers. This bill redirects the savings realized from this change to one of this country's greatest resources—highly qualified teachers. This bill also allows Congress to continue its work on the reauthorization of the Higher Education Act to ensure any permanent changes made to this issue are done so with open debate and clear consideration of the students we want to assist in reaching their higher education goals.

#### A TRIBUTE TO WALTER D. KREUTZEN ON HIS RETIREMENT

### HON. CHRISTOPHER COX

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2004*

Mr. COX. Mr. Speaker, I rise today to pay tribute to a Californian whose dedication to the betterment of southern California has never wavered. Wally Kreutzen, retiring this month, will leave behind a remarkable legacy: A 51-mile network of toll roads he helped to propose, finance and build.

Wally has over 30 years of combined public and private sector experience. He started his professional career working for a major U.S. oil company, and transitioned to the public sector where he worked for the citizens of Costa Mesa and Irvine.

In 1989, Wally began as executive vice president—Finance and Administration for the

Transportation Corridor Agencies, TCA, joint powers agencies charged with building new urban toll roads in Orange County. In that role, he coordinated the development of the initial plans of finance for the Foothill/Eastern and San Joaquin Hills Transportation Corridors, which resulted in the issuance of over \$2.7 billion in toll revenue bonds. Wally made it a priority to rely on alternative financing methods to build highways instead of relying on State and Federal gasoline taxes—the first time such innovative methods had ever been used in California.

In 1997, Wally was appointed chief operating officer of the TCA, and in January 1999, he became chief executive officer. He has been responsible for all planning, construction, financing, and operations associated with the Foothill, Eastern and San Joaquin Hills toll roads, used by 290,000 drivers every day—and saving them an estimated 21 minutes per trip.

Wally has an undergraduate degree in Political Science and a masters degree in Public Administration from California State University, Fullerton. He is a former instructor for the University of California Irvine. He is active in a number of organizations dealing with public/private transportation partnerships and with the funding and maintenance of public infrastructure.

On behalf of my colleagues, let me join the many friends, coworkers and admirers in wishing Wally Kreutzen nothing but the best in his retirement. He leaves behind an enormously positive legacy for Orange County's residents.

#### HONORING MR. RONALD VOORHEIS

### HON. THADDEUS G. MCCOTTER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, November 16, 2004*

Mr. MCCOTTER. Mr. Speaker, I rise today to acknowledge and honor Mr. Ronald Voorheis upon his retirement after 48 years of service to the citizens of the Charter Township of White Lake, Michigan.

Ron's roots in White Lake date back to 1840 when his great-great grandfather bought more than 300 acres of land. The Voorheis family farmed the land until the 1970s when Ron's father retired from farming. Nineteen acres remain in the Voorheis family today.

Ron was appointed Township Treasurer in 1956, a period when White Lake Township had a population of 4,000 and was governed by a five-member, part-time board. The fire department was volunteer, the chiefs were part-time, and there was no central dispatch. The wives of the firemen took turns in answering the fire calls from their houses. The police officers were paid just \$1 per year.

Since then, the population of the township has grown to more than 30,000 citizens. Many of the farms are gone, and the main two-lane highway is a now a four-lane highway with a beautiful boulevard. The fire department and the police department are staffed with full-time professional firefighters and police officers. Ron has been a member of the leadership team guiding the growth of the township, helping to ensure the quality of life for all of the residents.

While Ron will be admired for his leadership and contributions to White Lake Township far
